Charity Stalls
- Thurs 20th July – KS2 Celebration Assembly 9:15am
- Fri 21st July – End of Term – **School finishes at 2:15pm**

This week's WOW moment belongs to...

This week the WOW moment belongs to Tabitha in Year One. She has clearly listened carefully and taken on board the wonderful power of the mindful stories we share with our children. I urge you to take her advice!

JOB OPPORTUNITY! JOB OPPORTUNITY! JOB OPPORTUNITY! JOB OPPORTUNITY! JOB OPPORTUNITY! JOB OPPORTUNITY! JOB OPPORTUNITY!

An exciting opportunity!

Do you have a desire to work with children? Are you looking for an opportunity to re-start your career?

We are seeking to appoint a teaching assistant to work with one of our wonderful children to support them in their learning. The successful candidate will have patience, a genuine desire to work with children, a willingness to learn and the passion to help someone else achieve the best that they can.

Learning Next Week: *Making healthy choices for our bodies and our minds*

Learning this week will focus on the importance of exercise and healthy choices in our lives. The children will celebrate the wonderful experiences sports bring to our lives and try new sports in the process. They will explore mindful practises further and learn more techniques to help them feel calm and relaxed. Some sessions are open to invitation for parents to join us – either participating or watching. Why not make this a focus at home next week too!

Health and Wellbeing Week

Next week is Health and Well-being Week. You should have received further information from Miss Vettese and Mrs Wilde, outlining details of the events. The main thing you need to remember is that your child comes to school in their sport's kit ready to exercise every day. The focus of the week is on encouraging the children to look after themselves physically and emotionally. To encourage your children we really hope that you will join us on the playground at **8:40am** for an **early morning workout** on **Tuesday 27th June**. What better way to encourage your child to take the healthy options in life!

Transition to a new year

The process of moving into the next academic year, or for a few a new school, is very much on the mind of many of our children. To support them we have begun the process by moving to the new playgrounds. Mr Walterus and Miss Buckman have visited to allow the children in their class to put a face to the name. The main transition week will be week beginning 10th July.

Lucille Pollard
Head teacher

Revels

This year Yorke Mead will be taking part in the Pushball for the first time in a number of years. Year 3 are raring to go; we hope you will be able to stay and support them. Please remember everyone is welcome to join the Charlie and the Chocolate Factory parade along The Green.
