

Harvest Festivals

PLEASE NOTE CHANGE OF ARRANGEMENTS FOR YEAR 3

To allow our Year 3 a chance to lead and perform, we have decided that they will lead the KS1 Harvest Festival (which will be Years 1 -3) in the morning and Years 4-6 will perform in the afternoon. At this early stage of the term leading may be overwhelming for some Year 2 children and this is a perfect way for Year 3 to be good role models to year 2, who will lead the performance at Christmas.

Learning Next Week:

Nursery- Acorns Learning Behaviour- <i>How to sit on the carpet</i> Focus - <i>Settling in, learning how to access the environment, class rules</i> <i>Introducing nursery rhymes</i>		Reception- Willow & Lime Learning Behaviour – <i>Remembering our sunshine rules – choose it, use it, put it away!</i> Focus – <i>Numbers 1-5 and 1-10. Understanding number</i> Topic – <i>Extreme Earth – Natural Disasters</i>

Texts from School

If you are using the school gateway app you must be 'logged in' to receive the messages. Only one person per child can be logged in at any one time so please ensure this is the person who needs the information directly. It may also be wise to communicate between yourself and your partner so both people know any messages the school has sent out.

Parking

We all know that parking near the school is extremely difficult and we have introduced the soft start to try to alleviate the situation. Please could I remind parents that the Community Centre, Baldwin's Lane Car Park and Guild Car Parks offer a lovely walk into school that you and your child will benefit from. Also parking a few streets away will help. We continue to talk to local councillors to try to do all we can, but your help would be greatly appreciated.
