Happy Easter

We wish you a very happy Easter and hope you enjoy the break.

Fingers crossed for some better weather.

Your children have started to improve their fitness with the daily mile. Try to keep this going over Easter – just 10 mins running and walking everyday!

This week at Yorke Mead!

Dance Yourself Dizzy

Congratulations to all the children for their amazing dances across history and cultures this week. It was a really wonderful show!

Thank you parents for your support with all the costumes.

Eggs-cellent Effort

Thank you so much for supporting your children with their wonderful egg entries – the creativity and range of wonderful ideas really was excellent. It was lovely to see so many different ideas, many based on book characters.

Prizes were awarded to winners and two runners up in each age group. All entries received a token chocolate egg.

Internet Safety

Mr. Rees investigated a number of internet safety aspects on our recent Internet Safety Day.

Positively ALL children remember being taught about being safe online and it is clear they understand basic internet safety rules.

Worryingly in almost all key stage 2 classes over 40% of children have been contacted/messaged by a stranger online. That means in any class 12 children may have been contacted by a stranger.

Please keep conversations open with your children about what they are accessing online. They need to know they can tell you anything. Keep an eye on their search history.

CONGRATULATIONS
 to
Year 5 Rowan
 who have reached the 250mile mark for their joint daily mileage.

Tag Rugby

Yorke Mead are flying high in Tag Rugby this year. Having beaten Little Green last week, we are thrilled to announce another victory this week. In Wednesday we beat Rickmansworth Park 11 -4. Well done to all involved.

Language Leaders

Yesterday we were thrilled to welcome Rickmansworth School's Year 10 Language leaders to work with our Year 5 children. A great way to show them how far you can go with French in the future.
