## Reading Curriculum

### Year 3 AUTUMN : Key Themes : The Romans

There should be opportunities for every child to read daily either in discrete reading sessions or as part of the wider curriculum. Adults should hear children read regularly, with additional support for PPG and children who are not yet fluent, accurate and confident readers.

**Objectives highlighted in bold must be revisited in every unit / half-termly**

The Green Ship (POR)- **Narrative**

Poetry Free Verse-reciting and performing

Escape from Pompei **Narrative**

The Romans- **Non-chronological report Recount**

**Year 3 Grammar vocabulary to be used when discussing reading:**

Preposition, conjunction, word family, prefix, clause, subordinate clause, direct speech, consonant, consonant letter, vowel, vowel letter, inverted commas.

**The following skills and understanding should be assessed within the context of reading books that are pitched appropriately, including these features:**

- chapters that are often fairly short and made up of whole pages of text
- storylines/content at an age-appropriate interest level
- books may have a theme as well as plot
- illustrations that are used to break up, rather than to support, text
- more technical vocabulary and less known words but still fairly familiar settings
- sentences that are more complex e.g. re-ordering of information in the sentence (fronted adverbials), time, place and cause expressed using conjunctions, adverbs and prepositions

**Prior Learning: (Taken from Year 2 TAF)**

The pupil can:

read accurately most words of two or more syllables

read most words containing common suffixes\*

read most common exception words\*

In age-appropriate<sup>1</sup> books, the pupil can:

read most words accurately without overt sounding and blending, and sufficiently fluently to allow them to focus on their understanding rather than on decoding individual words<sup>2</sup>

sound out most unfamiliar words accurately, without undue hesitation

In a book they can already read fluently, the pupil can:

check that it makes sense to them, correcting any inaccurate reading

answer questions and make some inferences

explain what has happened so far in what they have read
