## **Hertfordshire County Council's oversubscription criteria for community and voluntary controlled, first, infant, primary, junior and middle schools for the school year 2018/19**

Section 324 of the Education Act 1996 requires the governing bodies of all maintained schools to admit a child with a statement of special educational needs that names their school. Schools must also admit children with an EHC (Education, Health and Care) Plan that names the school. If there are fewer applications than places available at a school all applicants will be admitted. If there are more applications than places available, the criteria outlined below will be used to prioritise applications.

### **Oversubscription criteria**

**Rule 1:** Children looked after and children who were previously looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or a special guardianship order)\*.

**Rule 2:** Medical or Social Children for whom it can be demonstrated that they have a particular medical or social need to go to the school\*. A panel of governors will determine whether the evidence provided is sufficiently compelling to meet the requirements for this rule. The evidence must relate specifically to the school applied for under Rule 2 and must clearly demonstrate why it is the only school that can meet the child's needs.

**Rule 3:** Linked School (This rule only applies to pupils who are currently attending an infant school which has a linked junior school<sup>1</sup>.) In the case of junior schools, children who attend the linked infant school at the time of their application.

**Rule 4:** Sibling Children who have a sibling on the roll of the school or linked school at the time of application\*. This applies to reception through to Year 5 in infant, junior and primary schools; and from reception through to Year 3 in first schools; and from Year 5 to Year 7 in middle schools.

**Rule 5:** Nearest School Children for whom it is their nearest community or voluntary-controlled school or an own admitting school or academy<sup>2</sup> using Hertfordshire County Council's admission rules.

**Rule 6:** Distance Children who live nearest to the school. Children not considered under rule 5 will be considered under rule 6.

These rules are applied in the order they are printed above. If more children qualify under a particular rule than there are places available, a tie break will be used by applying the next rule to those children.

### **Tie Break**

When there is a need for a tie break where two different addresses are the same distance from a school, in the case of a block of flats for example, the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer. If there are two identical addresses of separate applicants, the tie break will be random. Every child entered onto the HCC admissions database has an individual random number assigned, between 1 and 1 million, against each preference school. When there is a need for a final tie break the random number is used to allocate the place, with the lowest number given priority. *\*Please see the 'Explanatory notes and definitions 2018/19' document for full explanation/definition.*

### **Continuing Interest**

After places have been offered, Yorke Mead will maintain a continuing interest (waiting) list for all community and voluntary controlled schools. A child's position on a CI list will be determined by the admission criteria outlined above and a child's place on the list can change as other children join or leave it. The county council will contact parents/carers if a vacancy becomes available and it can be offered to a child. Continuing interest lists will be maintained for every year group until the end of the summer term.

### **Fair Access**

Community and voluntary controlled schools will admit children under the Fair Access Protocol before those on continuing interest, and over the Published Admission Number (PAN) if required.

### **Notes**

'Applicant' is a child on whose behalf an application is being made.

'Parents' shall mean and include any person in loco parentis to the applicant.

'Sibling' shall mean the sister, brother, half brother or sister, adopted brother or sister, or child of the parent/carer or partner, and in every case living in the same house from Monday to Friday.

'Children in public care' (children looked after) is as defined in The Education (Admission of Looked after Children) (England) Regulations 2005.

'Permanent home address' shall mean the address provided as the child's current permanent address as at the closing date of application. The application can only be processed using one address. If the child regularly lives at more than one address Monday to Friday, the address provided should be the address where the child spends the majority of their time. Both parent/carers must declare this individually in a letter sent with the application.

'Distance measurement' shall mean all distances will be a 'straight line' measurement from the postal address point of each

individual house to the address point of the school.

'Admissions Procedure' shall mean as an admitting authority the school's responsibility will be to apply the rules to each applicant and offer places up to the schools PAN (Published Admission Number).

'Medical or social need'

Rule 4 (i) applications will only be considered at the time of the initial application. All applications will be considered individually but a successful application should include the following:

- a. Specific recent professional evidence that justifies why only Malvern Way School can meet a child's individual needs, and/or
- b. Professional evidence that outlines exceptional family circumstances making clear why only a specific school can meet the child's needs
- c. For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at a specific school essential. Evidence should make clear why only a specific school is appropriate.

Applications under Rule 4 (i) can only be considered when supported by a recent letter from a professional involved with the child or family. For example, a doctor, psychologist or police officer. The supporting evidence needs to be at the school by Friday 18th March when applications close.
